

2019-20 AFTER SCHOOL PROGRAM ONLINE REGISTRATION

<https://campscui.active.com/orgs/Fitwize4Kids?orglink=camps-registration>

We are taking enrollments on a first-come basis. A one-week tuition deposit will be due at the time of registration. Your deposit will be applied to your child's last week attended. We offer a 10% off sibling discount off the lowest sibling tuition, **when both siblings have been registered at the same time (in the same cart), no exceptions.**

After School Program Online Registration

To begin the registration process, click on the registration link:

<https://campscui.active.com/orgs/Fitwize4Kids?orglink=camps-registration>.

1. **Click on the After School 2019-20 button**—this will take you to the next screen where you will “add” the After School Program to your cart. Once added, you can change the quantity from 1 to 2 or more if you would like to enroll more than one child. After you add the program, you will see it appear on the right side bar under “Your Selections.” Once you’re done selecting the program you want to enroll you child(ren) into, click on the “Continue” button. **PLEASE NOTE:** in order to receive the 10% sibling discount off your second+ child(ren), you must register all children at the same time/in the same transaction; be sure you have all programs in your cart at this time.
2. **Registration Information**—you’re now ready to enroll your child(ren) into the ASP. Type your email into the “**1. Look up account**” address field. If your email is found, but you forgot your password, proceed as the directions tell you, then continue on with the form. If your email is not found, continue on with the form by adding your email, then click “next” to add a password.
3. In the “**2. Participants & Options**” area, the agreement you are adding to your child’s record is found at the top left, just below the header. This is where you’ll add your child’s information to enroll them into the After School Program. Be sure to enter all information in this area, then click “continue.”
4. Now register your next child, again noting the program at the upper left of the screen (if you only have one child, skip down to step #5). Click in the “person” drop-down menu and select “register a new person.” Once you’ve completed your options for this child, click “continue.” You’ll continue this process until you’ve assigned each program in your cart to a child.

- Once all child(ren) have been signed up for our ASP, you will be taken to the “**3 Registration Forms**” window. This is where you’ll complete each child’s specific information, one at a time. In this example, I’m completing info for my child, Jane Fitwize. Just after the email field you will have the option to opt out of emails. (PLEASE NOTE: we do not share or sell emails, emails will only be used for Fitwize business and would include things like; after school program specific emails, snow days & teacher work day registration, upcoming registration information, etc. If you elect to opt out by clicking on the check box, you will NOT receive these emails.) Once all information is in for this child, click “continue.”
- If you only have one child you are enrolling, you can skip to step #7. If you are enrolling more than one child, you will now be taken to his/her participant window. To save some steps, you can click the “auto-fill form” link just under your child’s name. This will populate some of the fields you’ve completed for your first child; please be sure to verify this information also pertains to this child you’re enrolling while you complete fields that are empty. Once you’ve finished, click “continue.”
- You are now ready to complete the “**Primary Parent/Guardian**” information. For the parent/guardian who will be the primary contact, please use this area (see step #8 to add a second parent/guardian). You will be asked to include your DOB, this is only for verification purposes that you are over 18 (as long as you put a date in that qualifies you at age 18+, you are good).
- Just prior to clicking the “continue button,” you will see on the bottom left, an “add second parent” link. **We kindly ask that families take the opportunity to add their spouse (or ex) into the second parents’ fields.** We understand there are various family situations, our goal is to ensure that each child’s parent/guardian is up-to-date. Please be sure to click on the “please send a copy of the registration confirmation email to this address” for the second parent/guardian, then click “continue.”
- You will now see the waiver section. Click on the check box after reading through the waiver for each child. The final waiver is for the database company we are using. You will click that check box, then you can auto sign or type your name into the digital signature window, then click the “continue to cart.”
- You will now be directed to your cart. Please verify everything looks correct. If you need to add another child or program, now’s the time to do so by clicking on the “add another registration”; this way you don’t miss out on your 10% sibling discount. Remember, in order to receive the sibling discount, all children must be enrolled in the same cart/ transaction; unfortunately, there are no exceptions to this rule.

FORMS REMINDER

In order to complete your child’s enrollment, you will need to complete and upload to your child’s account (or drop-off/email a hard copy) the Children’s Code of Conduct/Parent’s Statement of Understanding form (last page of the [Parent Handbook](#)).

If this is your child’s first year with Fitwize, you will also need to upload (or drop-off/email a hard copy) your child’s immunization records.

Lastly, if your child takes medication that Fitwize needs to keep on-hand and/or administer (epi-pen, inhaler, etc.), please complete the [medical form](#) and upload it to your child’s account (or drop-off/email a hard copy). Both the form and your child’s medication will need to be dropped off to us at least 10 days prior to his/her first day; we will be unable to have him/her attend until we receive both items.
